

**A Study in Pink (S1E1)  
Part 1 (beginning-00:15:40)**

Who do you think John is talking to?

How did the three people commit suicide?

For what two reasons are the suicides linked?

Why does the police think these deaths are suicides?

What problem does John Watson tell his friend about in the park?

What was the first thing Sherlock noticed about John?

How did Sherlock help Mrs. Hudson a few years ago?

What's different about the fourth suicide?
